Spring Term Newsletter 8th March 2019

Learn together, achieve together and be the best that we can be.

Dear Parents and Carers,

Brrrrr! It may have turned chilly and rainy outside but we are still smiling, and so are your wonderful children. It is so pleasing to see them around school and in their classrooms, working hard and enjoying their learning. Thank you for your continued support and encouragement.

World Book Day

Glenfield students and staff celebrated World Book Day in style, pulling out all the stops to represent our favourite story characters. From the *Beano's* 'Dennis the Menace,' to *Matilda's* 'Miss Trunchbull,' we had a fantastic day, sharing our favourite stories and describing our characters to others as well as designing our own books and writing our own stories. The day really reignited our love of reading and we had a brilliant time! Year 6 pupils also led a wonderful assembly on World Book Day, demonstrating the vast opportunities that reading regularly has to offer. What a super effort made by all and a chance to promote our enjoyment of a diverse range of books!

The Speech and Language Provision had a Roald Dahl Day for World Book Day. This involved lots of different themed activities for books including Charlie and the Chocolate Factory, Fantastic Mr Fox, The Enormous Crocodile and The BFG.

Cross Country

On Saturday 2nd March some children represented our school in a cross country race at Ratcliffe College. We are proud of everyone who took part especially Amelia.W Jake.T and Jake.F who all took home medals. Also, 14 keystone 1 children ran in a fun run. Well done everyone! -**Sophie & Amelia**

Comic Relief

March 15th is Comic Relief Day. For a £1.00 donation your child can come to school wearing something red, please don't feel you need to go out and spend for this, red socks or a red hair booble is plenty. There will also be classroom activities going on throughout the day.

Online Payments

We are still experiencing a high volume of cash payments coming into school. Our preferred method of payment is through the school gateway system, as we are working towards becoming a cash free school. If you require any help setting up on the gateway please do not hesitate to ask.

Medical

If your child has suffered with any itchy spots/bites, please contact the school office as there are procedures we need to follow.

NSPCC

Today, your child will have brought home a letter explaining The NSPCC's Speak out, Stay safe, programme that is visiting our school. Unfortunately due to circumstances beyond our control the visit will now be on 01.04.2019.

Year 2 Curriculum Assembly

On Tuesday, Year 2 took over the teaching of Maths as they took part in our Curriculum Assembly. All the children had a part to play and they showed such confidence in their presentation. They taught adults and children how we do maths in Year Two, demonstrating on the Interactive Whiteboard, using practical objects to help them and singing Super Mover 2 times table song at the end. We had lots of wonderful comments from parents, staff and other children to say how interesting and useful the Assembly was. Well done Year two. We are proud of you. Mrs Quinn and Miss Oakes
