Autumn Term Newsletter 12th January 2018

Learn together, achieve together and be the best that we can be.

Dear Parents and Carers,

Happy New Year to all! We have had a wonderful start to the year and have so much to look forward to in 2018. The children settled straight down to work when they returned on Monday and I have been very impressed with the calm, industrious atmosphere as I have visited classes around the school. Behaviour has been excellent too. Well done, everyone!

After School Clubs

This term's after school clubs list is now on display in the foyer. You will receive an invoice next week for any payment due.

Early Years need your help!

Early years are on the hunt for any spare children's underwear, socks and tights to keep in school.

Grammar Workshops

We will be holding a number of Grammar Workshops, week commencing 05.02.2018. Watch this space!

Getting it right

If you have any concerns, your child's class teacher is the first port of call. Please talk to them at the beginning of the day or after school if there are any issues. We really appreciate any feedback and communication with us is vital if we are to work together to provide the best possible opportunities for your children. We would much rather know about issues, rather than them being discussed at the school gates or through social media. Then we can deal with problems as they arise. We all want the same as you- the very best for the children - let's keep working together to achieve this. The school is moving forward and improving daily- please let us know the positives too.

Survey

The Local Authority have sent us a survey for parents to complete about child safety on the internet. It will be available until the end of January. If you would like to take part please visit the link below.

Parent Questionnaire

Following on from suggestions on the parent questionnaire if you would prefer to receive our newsletter by email and not a paper copy please inform the office who will be happy to deal with this.

Music Lessons

Thank you to all of those in KS2 that have expressed an interest in learning a musical instrument. We have had a lot of replies which have been passed on to the music teacher who will be in touch shortly. Unfortunately, due to the high response, not all children will be accommodated this time but details will be kept should other places become available.
