Autumn Term Newsletter 9th February 2018

Learn together, achieve together and be the best that we can be.

Dear Parents and Carers,

This half term seems to have flown by but I am sure all the children and adults are looking forward to a well earned break. Let's hope we have a little sunshine next week!

Retirement

Today we say goodbye to Mrs Saunt after dedicating more than 26 years to Glenfield Primary School. She will be missed by all staff and pupils. I am sure you will join me in wishing her all the very best for a happy, fulfilling and well-deserved retirement.

School Holiday

School will close today and re-open on Monday 19th February 2018

Holiday Club

Reminder: our Half Term Holiday Club takes place next week from 9.00 am - 3.00 pm. Your child will need dropping off and collecting from the main entrance.

Hair

Could all children with long style hair please remember to wear their hair tied back for Health and safety reasons during school time please.

Grammar Workshop

Thank you to all parents who attended our Grammar workshops, and for all the feedback we have received. We hope you found these helpful and informative.

Library Books

Could you please have a sort out over the weekend to see if your child has any school library books tucked away. We appear to have several missing from our school library that are not accounted for.

Uniform Shop

Our uniform shop is now held in the school foyer every other Tuesday, if anyone has any good quality unwanted uniform and would like to donate it, please drop it off at the school office.

Safer Internet Day

Tuesday 6th February was Safer Internet Day. Children across the school looked at how we can keep ourselves safe online. Some classes created posters, some looked at different scenarios and the consequences of wrong choices and some children completed an e-safety survey for the local authority.

The awareness of e-safety is vital for keeping our children safe online. This was a very successful day.

Sickness

As I am sure most of you are aware we are experiencing a high volume of sickness and diarrhoea in school at the moment.

In guidance with the Health Protection Unit, we have been informed to reinforce to all parents that should your child become ill with the virus, **they must remain absent from school for at least 48 hours AFTER the last episode of diarrhoea and sickness.**

Should your child return to school within the 48 hour period, you will be contacted and asked to take them home.

Please ensure your child washes their hands thoroughly as and when required. We will also be enforcing hand washing and hygiene in school.
