

School News

Yesterday evening, we were made aware of the passing of our queen, Queen Elizabeth II. As a school, we shall remember a queen who cared for and looked after our

country for 70 years. Today the children talked about the impact she had on so many people's lives, celebrating her life and looking at different events that she was a part of.

WHAT'S IN THIS WEEK'S ISSUE:

- Glenfield Fundraising
- Glenfield Larder
- Y6-Secondary school admissions
- Attendance
- Attendance Award
- Swimming Lessons

We have an exciting opportunity to join our school community. The role is for a midday supervisor and is 6.25 hours a week. For more information or to collect an application form please contact the school office.

Parents Meetings

It was wonderful to see so many parents and carers at these meetings and we hope you found them useful. We know the teachers really enjoyed meeting with you. If you were not able to attend, you will be sent the information from these meetings. Please speak to your child's class teacher if you have any questions about this. Also, please let us know if there is anything else you would like us to include in these meetings in the future so that we can continue to work together to support our children's learning. Many of you asked about Parents' Evenings in October. In response to the feedback we have received, we plan to offer one evening of remote meetings on TEAMS and another evening of face to face meetings, so that you can choose the type of meeting you prefer. We will ask you to book these meetings online as we have done previously. There will also be further opportunities to look at your children's homework after school. Of course, we will keep you informed about this, but the meetings will take place the week of 10th October- just before the half term break.

WELL DONE TO ALL!

Attendance

We all want our children to achieve their very best at school and good attendance is such an important factor in ensuring that they benefit from all the learning opportunities on offer. If your child is not well enough to attend school, please contact the school office as early as possible so that we know the reason for their absence and can record this accordingly. Although we understand the importance of family holidays, we ask that these are not booked in term time as they are unlikely to be authorised. Even a few days away from the classroom can impact on their learning.

Thank you for your support.
