Summer Term Newsletter 13th July 2018

Learn together, achieve together and be the best that we can be.

Dear Parents/Carers

What an exciting and busy week it's been here at Glenfield Primary School! We can't believe that this academic year is now over. All of the children throughout the school have worked so hard this year and we are proud of every single one of them. We wish them a restful summer break. We would also like to say a huge thank you to you, the parents and carers, for all of your support this year. Your feedback has helped to further improve our school

Year 6 Presentation

It was wonderful to listen to the teachers' comments about each individual child and why they are so special and to share this event with so many parents and friend. The children were presented with a unique year book and a large class photograph. A fantastic group of people leave our school today. They will be missed so much and Miss Kaur, Mrs Thomson, Miss Lewis and Mrs Patterson, the Year 6 team and all the staff are incredibly proud of them. Well done.

Year 6 Production

An outstanding performance! They made us laugh! They made us cry! The audience was gripped all the way through as we saw huge talent unveiled. Well done to everyone.

Bike Safety

Next year only children who have taken part in Bikeability or will be accompanied by an adult will be able to bring their bikes into school. We are concerned about children's safety on their way into school with the very busy roads around the area.

St Peters Church - Messy Church

Sunday 19th August at 4pm. Meet at the Church centre, there will be a whole variety of activities on the school playing field for all the family. Everyone is welcome.
