

School News

Although we have only had a few days at school this week, we have packed in quite an array of special events alongside our usual activities. This has included the Y1 Harvest Assembly, Year Y6 Harry Potter Trip, Basketball and library visits.

We are so grateful for all of your support with this- and there's more to come!

WHAT'S IN THIS WEEK'S ISSUE:

- Year 2 & year 5 classroom news
- Library Visits
- Year 6 Harry Potter trip
- Parents evening details
- Lateness

We have an exciting opportunity to join our school community. The role is for a midday supervisor and is 6.25 hours a week. For more information or to collect an application form please contact the school office.

Year 6 -Harry Potter Trip

Year 6 made some magical, mystical memories at Harry Potter World on Wednesday, exploring some of the incredible film sets including: Diagon Alley, Privet Drive and Gringotts Bank. We were able to view the fantastical costumes and props and ride our very own broomsticks! The children's behaviour was absolutely impeccable and we had a brilliant time!

'It was a very magical experience. Everyone really enjoyed it and Hogwarts Castle was amazing!' - Archie W

'I had a brilliant time and was amazed at all the magic. The Forbidden Forest was really spooky!' Lucy C

Year 2

The Day the Chairs Quit!

When we walked into our classroom on Tuesday all our chairs had vanished! We noticed some of the chairs were on the field so we went to investigate. We soon realised our chairs had taken inspiration from our story 'The Day the Crayons Quit' and had gone on strike! As a class, we searched for the chairs around the school and gathered clues to infer why they had quit.

Year 5

Researchers' Basketball with Leicester Riders

On Wednesday afternoon the children, in Researcher's, received basketball training from two Leicester Rider players. The children were thrilled with the experience of training

with the two players ,they demonstrated good team building skills and were listening actively to all the guidance they had received during the session. A fun, active learning experience had by all!

Library Visit!

Today Investigators were the first lucky class to take a walk down to Glenfield Library! Whilst in there, the children completed activities and found out how to use the library. Many of them were amazed that it is totally free to join and couldn't believe the number of books they are able to borrow. They all enjoyed perusing the books on the shelf and some children used their library cards to check out the books that they found interesting. All the children represented the school well and were respectful and responsible throughout our outing. Well done Investigators!

Other news

This week's attendance was won by the Thinkers and Solvers classes with 100%

WELL DONE TO ALL!

Lateness

If your child arrives after 8:48, when the school gates close, it will be recorded as a late mark. As a result of this, your child will miss crucial time at the start of the school day and it will also affect their overall attendance.

We will monitor any late arrivals and should this become a regular occurrence, we will follow our attendance procedure.

Parents consultation evenings

We are giving parents & carers the opportunity to attend a face to face or remote appointment for parents evening meetings.

Monday 10th October 3.30-6.00pm will be FACE TO FACE meetings

Tuesday 11th October 4:30-7:00pm will be REMOTE meetings

Both face to face and remote appointments must be booked through the online booking system. More details on this will be sent to parents.

Those that would like to attend the remote appointments will still have the opportunity to view their child's work in their school books. This session will be on Tuesday 4th October at 3:30-4.00pm and is in addition to the remote slot.
