## Autumn Term Newsletter 31st August 2018

**Learn together, achieve together and be the best that we can be.**

### Dear Parent/Carers

Welcome back!

We hope you all had a relaxing summer holiday and are still managing to enjoy some of the late summer sunshine. We have already had a wonderful start to the school year. Everyone one is settling into their new classes ready for some great learning. We have had a number of new staff and children who are already feeling part of our great school community.

### School Uniform

The children are all looking very smart in their school uniforms- thank you for supporting us with this. We feel that our dress code offers plenty of flexibility and it is important that children adhere to this.

The children must wear grey school trousers/skirt/pinafores or tailored shorts, a pale blue or white shirt or polo shirt and a royal blue jumper, sweatshirt or cardigan. Cotton checked school dresses are also acceptable during hot weather. Please note that navy blue is not a school colour.

The wearing of any jewellery is discouraged. If earrings must be worn, they should be studs only. Please keep hair accessories to a minimum no large bows etc.

### Getting it right

If you have any concerns, your child's class teacher is the first port of call. Please talk to them at the beginning of the day or after school if there are any issues. We really appreciate any feed back and communication with us is vital if we are to work together to provide the best possible opportunities for your children. We would much rather know about issues, rather than them being discussed at the school gates or through social media. Then we can deal with problems as they arise. We all want the same as you- the very best for the children - let's keep working together to achieve this. The school is moving forward and improving daily - please let us know the positives too.

## **GDPR**

Your child will have brought home a Data Collection Sheet. We would be grateful if you could fill this in and return to school at the earliest opportunity.

## **Nut Free/Allergies**

For the Health and Safety of some of our students, please remember that we are a nut free school. Please do not include any nut or seeded products in lunchboxes
