Autumn Term Newsletter 21st December 2018

Learn together, achieve together and be the best that we can be.

Dear Parent/Carers

What a festive week we have had at Glenfield Primary School, Christmas magic is definitely in the air!

LKS2 Performances

Well done to LKS2 for two wonderful performances of 'Santa goes to Leicester' & 'Alice in Wonderland'.

"I liked our play because it was funny because I liked my friends Leicester accent"

"It exceeded my expectations because I didn't expect it to be so good"

"Everybody was really loud and clear. They all used expressions very well"

"I enjoyed learning and singing the songs"

Christmas Jumper Day

We raised an amazing £158.54 for the 'Save the Children' charity. Well done and once again thank you for your donations.

Year 6 Carols

On Wednesday 19th December, the Philosophers and the Reflectors entertained the school and some parents by singing some Christmas carols. There were large groups performing, small groups and even solos. The children all sang beautifully and everyone agreed that they should be extremely proud of themselves. Well done to both classes!

Year 5 Buggy Malone

On Wednesday 19th December, the Investigators and the Researchers went to Martin High School to watch Buggy Malone.

"I enjoyed the pie fight and the chase was really exciting" - Harvey Year 5

"It was entertaining and funny. We all loved it" - Sophie and Alexi Year 5

GSA-Thank you

The GSA would like to thank you for your continued support this year. The Secret Gift Emporium was a fabulous event which raised a total of £761.00. As costs increase we have decided to set up a recycling scheme in January. There will be a box placed in reception where you can recycle any Christmas gift bags or gifts that you would like to donate towards next year's event. Also a big thank you to everyone who bought raffle tickets at the Christmas performances. The Christmas Hamper raffles raised a total of £257.00.

Getting It Right

If you have any concerns, your child's class teacher is the first port of call. Please talk to them at the beginning of the day or after school if there are any issues. We really appreciate any feedback and communication with us is vital if we are to work together to provide the best possible opportunities for your children. We would much rather know about issues, rather than them being discussed at the school gates or through social media. Then we can deal with problems as they arise. We all want the same as you- the very best for the children- let's keep working together to achieve this. The school is moving forward and improving daily- please let us know the positives too.

The teachers, support staff and I would like to wish you all a Merry Christmas and a Happy New Year. May the Christmas season fill your home with joy, your hearts with love and your life with laughter.

School re-opens Monday morning January 7th 2019
