Year 1

The children have had a lovely first week back! In maths we will be focusing on addition and subtraction within 20 over the next few weeks. This week we have really enjoyed finding and making number bonds to 20. We used ten frames and cubes to systematically find our number bonds. This means we work in order and we don't miss any number bonds out!

Year 4

This half-term in PE, Year 4 will be learning a variety of cultural dances. This week, we learnt about traditional Aboriginal dances such as the Haka and the Maori which originated from New Zealand. Check out our moves

Other news

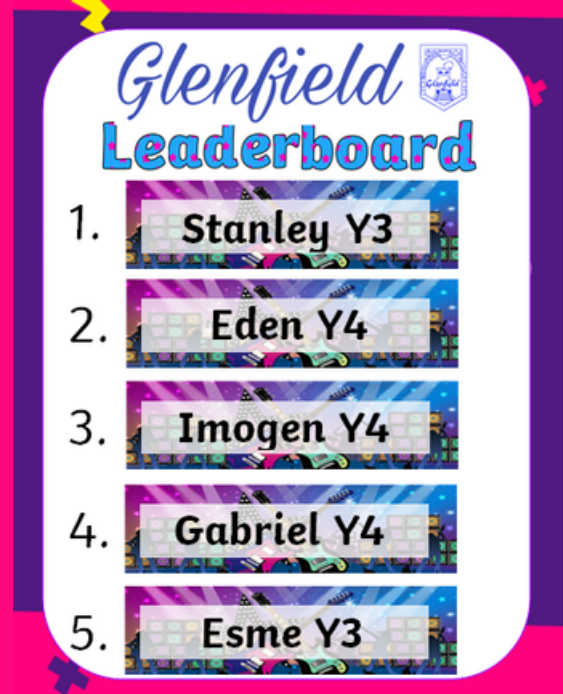

This week's attendance trophy has been won by the Observers, Innovators and the Researchers classes.

Well done to you all.

We wanted to say a huge well done to all the children who have been working hard to learn their times tables through TTRS. This term, our whole school leaderboard will be celebrating the 'Most Improved Rockstars'. Congratulations to all the children that have worked hard to secure a place in our top five! Keep on Rockin!
