Year 4

This week, Year 4 visited the Thinktank Science Museum in Birmingham.

Throughout the day, we explored many different exhibits and got to experience seeing science in action. Our favourite parts of the day were when we had the opportunity to explore the areas all about wildlife and the human body. Also, the electrifying electricity show was amazing! We learnt all about how electricity is made and how it powers different objects. The children were very inquisitive and respectful during our visit. Well done Year 4!

This week's attendance trophy has been won by the Communicators Class. Well done!
