

Glenfield Primary School Curriculum Overview in Maths

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS	Numbers to 10 Subitise up to 5 Number bonds to 5 and some 10 Counting to 20 Less than/greater than/same Number patterns					
Year 1	Place Value within 10 (at least 4 weeks) Addition and Subtraction within 10 (at least 2 weeks)	Addition and Subtraction within 10 (at least 4 weeks) Place Value within 20 (at least 2 weeks) Geometry and Shape (at least 2 weeks)	Addition and Subtraction within 20 (at least 4 weeks) Place Value within 50 (at least 2 weeks)	Measurement: Length and Height (at least 2 weeks) Measurement: Weight and Volume (at least 2 weeks)	Multiplication and Division (at least 4 weeks) Place Value within 100 (at least 2 weeks) Money (at least 1 week)	Time (at least 2 weeks) Position and Direction (at least 1 week) Fractions (at least 2 weeks)
Year 2	Place Value up to 100 (at least 3 weeks) Number: Addition and Subtraction: (at least 4 weeks)	Measurement: Money (at least 2 weeks) Number: Multiplication and Division (at least 4 weeks) Number: Addition and Subtraction: (at least 2 weeks)	Multiplication and Division (at least 4 weeks) Statistics (at least 2 weeks)	Geometry: Shape (at least 2 weeks) Number: Fractions (at least 2 weeks)	Measurement: Time (at least 2 weeks) Measurement: Length and height (at least 2 weeks) Number: Addition and Subtraction: (at least 2 weeks)	Geometry: Position and Direction (at least 2 weeks) Measurement: Mass, Capacity and Temperature (at least 2 weeks) Number: Multiplication and Division (at least 2 weeks)
Year 3	Number and Place Value (at least 3 weeks) Number: Addition and Subtraction (at least 4 weeks)	Number: Multiplication and Division (at least 4 weeks) Measurement: Money (at least 2 weeks) Statistics (at least 2 week)	Measurement: Length and Perimeter (at least 3 weeks) Number: Fractions (at least 3 weeks)	Number: Fractions (at least 3 weeks) Number: Addition and Subtraction: (at least 2 weeks)	Measurement: Time (at least 3 weeks) Number: Multiplication and Division (at least 2 weeks) Statistics (at least 1 week)	Geometry: Shape (at least 2 weeks) Measurement: Mass and Capacity (at least 2 weeks)

Year 4	<p>Number and Place Value (at least 3 weeks)</p> <p>Number: Addition and Subtraction (at least 4 weeks)</p>	<p>Measurement: Length and Perimeter (at least 2 weeks)</p> <p>Number: Multiplication and Division (at least 4 weeks)</p> <p>Measurement: Area (at least 1 week)</p>	<p>Number: Fractions (at least 4 weeks)</p> <p>Number: Decimals (at least 2 weeks)</p>	<p>Number: Decimals (at least 2 weeks)</p> <p>Number: Multiplication and Division (at least 2 weeks)</p>	<p>Number: Multiplication and Division (at least 2 weeks)</p> <p>Number: Decimals (at least 2 weeks)</p> <p>Measurement: Money (at least 2 weeks)</p>	<p>Measurement: Time (at least 2 weeks)</p> <p>Statistics (at least 1 week)</p> <p>Geometry: Property of Shape (at least 2 weeks)</p> <p>Geometry: Position and Direction (at least 1 week)</p>
Year 5	<p>Number and Place Value (at least 3 weeks)</p> <p>Number: Addition and Subtraction (at least 4 weeks)</p>	<p>Statistics (at least 2 weeks)</p> <p>Number: Multiplication and Division (at least 4 weeks)</p> <p>Measurement: Perimeter and Area (at least 2 weeks)</p>	<p>Number: Multiplication and Division (at least 2 weeks)</p> <p>Number: Fractions (at least 4 weeks)</p>	<p>Number: Decimals and Percentages (at least 4 weeks)</p>	<p>Number: Decimals (at least 2 weeks)</p> <p>Geometry: Properties of Shape (at least 4 weeks)</p>	<p>Geometry: Position and Direction (at least 2 weeks)</p> <p>Measurement: Converting Units (at least 2 weeks)</p> <p>Measurement: Volume (at least 1 week)</p>
Year 6	<p>Number and Place Value (at least 2 weeks)</p> <p>Number: Addition and Subtraction (at least 2 weeks)</p> <p>Number: Multiplication and Division (at least 2 weeks)</p>	<p>Number: Fractions (at least 4 weeks)</p> <p>Number: Decimals (at least 2 weeks)</p> <p>Number: Percentages (at least 2 weeks)</p>	<p>Number: Algebra (at least 2 weeks)</p> <p>Measurement: Converting Units (at least 1 week)</p> <p>Measurement: Perimeter, Area and Volume (at least 2 weeks)</p>	<p>Number: Ratio (at least 2 weeks)</p> <p>Geometry: Property of Shape (at least 2 weeks)</p>	<p>Geometry: Property of Shape (at least 1 weeks)</p> <p>Statistics (at least 2 weeks)</p>	<p>Geometry: Position and Direction (at least 2 weeks)</p> <p>Consolidation</p>
