# Year 1

In Year 1 this term we have been focusing on measures in our maths lessons. We have learnt about measuring and comparing objects of different heights and lengths. This week we have been exploring weight and mass.

We have enjoyed using the balancing scales to see which objects are heavier and lighter. The scales also help us to work out the mass of an object. Here we are using the cubes to measure the mass of different objects!

# Year 4

**Ready, steady, bake! This week, Year 4 have been getting creative in the kitchen. After conducting some market research, the children worked in groups to follow and adapt a biscuit recipe. They carefully considered how they could improve the recipe by adding new and exciting ingredients; it was no surprise that their favourite ingredient to include was chocolate chips! The final creations went down a treat as the children thoroughly enjoyed eating their finished biscuits.**

**Fantastic work Year 4 😊**

**A huge thank you to
