# What does our curriculum look like?

## Curriculum Topics

Our main topics for the Autumn Term are:

**English** - Infinite—diary entry, action scene, advertising brochure.

Boy at the back of the class— Narrative, Non-Chronological Report, Letter.

**Maths** - Place value within 10,000,000. Four Operations. Fractions. Measure.

**Science** - Recognising circuit systems symbols and diagrams, as well as exploring different ways of generating electricity.

We will also explore evolution and the process organisms take to adapt to their environments.

**History** - We will be completing a local area study to compare and contrast how Glenfield has changed over time.

**Geography** - We will be developing our knowledge of the world, looking into reasons why population changes in different regions.

**Art** - Drawing and mark making

**PE** - Tennis, Cricket, Badminton and Circuit Training.

**French**— School Life and 'Le Weekend'

**Music**—Dynamics, Pitch and Texture

**PSHE**— Healthy relationships, family and friendships. We will also explore respect for ourselves and for others.

**RE**— Creation and Science

**Computing**— Online Safety, Networks and Blogging.

Please encourage your children to talk to you about their school work and support them with their learning. At the end of the term, knowledge organisers for topics will be sent home so that children can continue to revise the skills that they've already learnt.

## How you can help

### **Reading**

Children can choose a fiction and/or non-fiction book to bring home. Please talk to your child about what they are reading and ask them questions, then record any comments in their reading record. We encourage Year 6 to write about their own reading too, including recording when they have read with an adult in or out of school.

### **Maths skills**

By year 6, children should know their times tables up to 12. Please help your child learn their times tables (with corresponding division facts) and practise addition and subtraction skills. They have access to TTRockstars to help them practice.

### **Homework**

Homework will be issued on the Friday, due in on the following Friday.

Homework will recap or follow on from our learning within the classroom to consolidate children's understanding.

Please encourage your child to ask for help with homework if they need it.

# CGP Books

→ Homework  
← (Friday to Friday)

***Staff will respond to messages typically during the hours of 8am – 4pm Monday-Friday - the rest of the time teachers' accounts are set on 'quiet time'.***

Parents/carers should be aware that teachers will not necessarily respond to messages straight away but will endeavour to do so within 48 hours during working days only. They may also not read the message that you have sent until the end of the day due to their teaching commitments.

**Any absences still go straight to the office!**

# Join our class!

This year, I'll be using ClassDojo to share fun moments from the classroom and keep you up-to-date with info and events. See you on the ClassDojo app!

# How can you help at home?

## **Please support your children by:**

- Asking them about their homework (CGP Books).
- If time, look through some of the mock test papers to celebrate success, and spot gaps in knowledge.
- Help them to manage their time well – it is important that students have ‘down-time’, time to pursue hobbies and activities, as well as reflecting on their learning.
