

Miss Thompson

Hello, my name is Miss Thompson.

I am very excited to be teaching Year 1 next year and getting to know all the children and their families. I have recently completed my three years of university training and am delighted to be starting my teaching career at Glenfield with my very first class.

I am passionate about creating a positive, nurturing environment where every child feels happy, valued and confident to learn. My favourite subjects are art and maths because I enjoy being creative and helping children develop their problem-solving skills.

Outside of school, I enjoy going for walks with my dog Nala, reading and painting. I love sharing stories and helping children develop a love of reading.

I am looking forward to helping the children grow in confidence, develop their independence and have lots of fun while learning new things together. I am excited to meet you all and begin our Year 1 journey together!
