

Mrs Chatha

Hello everyone!

My name is Mrs Chatha and I'm really excited to be your teacher next year.

Some of you may already know me from around school, while for others this might be the first time we meet – either way, I can't wait to get to know you all and start our learning journey together.

I have taught in Key Stage 1 for many years, so I'm especially excited to be returning to KS1 after spending some time teaching in Key Stage 2. I can't wait to dive into all the exciting stories, creative activities, hands-on learning and fantastic topics that make KS1 such a fun place to learn.

I am the Maths Lead across the school, and I'm really passionate about helping children enjoy maths and believe in themselves.

One thing I'm especially excited about is introducing you to times tables and helping you get started on your TTRS accounts. Once you've had some practice, we can begin having class battles! However, I should warn you that I'm pretty competitive, so get ready to challenge me... if you think you can beat the teacher!

I also love history and learning about the past, as well as getting creative through art and seeing everyone's fantastic ideas come to life. We have lots of exciting learning ahead of us, and I know we're going to have a brilliant year filled with fun, challenges and success. Enjoy your summer, and I'll see you in August. I can't wait!

Mrs Chatha
