

Miss Kaur

My name is Miss Kaur and I am very excited to be welcoming your child into Year 2.

I have thoroughly enjoyed teaching Year 2 this year and I am delighted to be staying in Year 2 next year. I am passionate about helping children grow in confidence, develop a love of learning and achieve their very best.

I believe that every child can succeed when they feel happy, supported and encouraged in the classroom.

Two of my favourite subjects to teach are Maths and Art. I enjoy making Maths engaging and helping children build confidence through problem-solving and hands-on activities. I also love using Art to encourage creativity and self-expression, and I'm excited to explore a range of fun projects with the class this year. I particularly enjoy celebrating children's individual ideas and seeing them take pride in their work.

In our classroom, I aim to create a positive and nurturing environment where children feel safe, valued and excited to learn. Building strong relationships with both children and families is very important to me, and I believe that working together helps children thrive.

I'm really looking forward to getting to know you and your child, and to a fun, happy and successful year ahead.
