

# Miss Dholakia

Hi, my name is Miss Dholakia and I am very excited to be teaching in Year 4 this year! This is my first-year teaching at Glenfield! I am excited to join the school and meet everyone.

As a teacher, it is my goal to inspire a love of learning and to make learning fun and enjoyable for everyone.

My favourite subjects to teach are Maths, Geography and Art. I enjoy teaching Maths because it develops problem-solving and critical thinking skills, Geography because it allows children to discover the world around them and encourages curiosity and exploration and I love encouraging children to express creativity during art.

Outside of the classroom, I enjoy reading, exercising and going on holidays. I love visiting new places and getting lost in a book. I also enjoy spending time with my friends and family.

I'm really looking forward to all the exciting things we'll be doing this year — from new topics and creative projects to fun activities and challenges. We're going to learn so much together and make brilliant memories along the way. I can't wait to get started and meet you all soon!
