

Miss Kilbourne

Hi, my name is Miss Kilbourne.

I am very excited to welcome you to your new class. My favourite subjects are Art and Maths as these are the ones I enjoyed the most at school and have enjoyed teaching.

I am also very passionate about P.E as I have loved teaching this subject and play sport in my own time. I love football as I've played for 15 years! I also like a little sing along, most the time, so never feel afraid to join in!

I will give my support to all children and ensure that they can reach their full potential. I will also make sure that all children feel safe and that my classroom is a supportive environment where no challenge is too difficult to handle. I look forward to starting and meeting you all!
