

Mr Robinson

Hi, my name is Mr Robinson.

I am the phase lead for upper key stage 2 (year 5 and 6) and a year 5 class teacher. In addition to this, I lead on music in the school and pupil leadership (including the School Council). I joined Glenfield Primary School earlier this year, but for the past 18 years, I have been lucky enough to teach and lead in schools across the country, from Hampshire to Cumbria, working in all key stages and in lots of different settings.

I am passionate about making learning fun, engaging and memorable and I love seeing children grasp new concepts and ideas. In the classroom, my favourite subjects to teach are maths, music and P.E. – but I also love reading, writing and history. In fact, ALL subjects excite me – and I thrive on the joy of discovering new things through our lessons!

Year 5 will be a very exciting year and I am looking forward to ensuring that all the children in the year group fly high and be the best they can be.
